

\$80 buys you a vital part of St Kilda Road

Do you enjoy living, working or just relaxing along St Kilda Road, want to enhance your networking opportunities or have your voice heard at Town Hall on the future of your city and also want Club 3004 and the St Kilda Road Precinct group to flourish and grow?

Melbourne City Council wants each precinct to develop and expand it's membership base, in order for each group to become an influential voice in planning Melbourne's destiny. As a result for anyone who loves, lives or just likes what the area has to offer, the St Kilda Road Precinct and 3004 magazine make you an offer impossible to refuse.

For a mere \$80 you will receive:

- A regular and prominent line listing about your business in the next four issues of 3004. What a great way to network and promote your business!
- Remember more than 10,000 copies of the magazine are now being distributed throughout the precinct!
- Copies of each issue of 3004 delivered to your office or apartment "hot off the press".
- Membership of the St Kilda Road Precinct Group which gives you entrée to the decision makers at the City of Port Phillip and City of Melbourne to have your suggestions heard by the people who make decisions.
- Permission to use the official St Kilda Road logo carrying the highly recognised "Melbourne's World Famous Boulevard" catchphrase.
- Invitations to attend State Government and council planning issues which impact on the future of the area.
- A membership certificate for you to display prominently.
